EDITORIAL NOTE / PRAKATA

Dear Colleagues and Scholars,

It is with great honour and intellectual enthusiasm that we present the inaugural issue of the International Journal of Law and Strategic Studies (IJLSS), Volume 1, Issue 1, 2026.

IJLSS is a peer-reviewed, open-access academic journal dedicated to advancing scholarship in international law, strategic studies, dispute resolution, human rights, and comparative legal systems.

This journal is published by The Hague International Centre for Law and Strategic Studies (HILC), an institution committed to fostering excellence in legal research and international policy discourse.

We warmly welcome submissions from scholars, practitioners, and researchers worldwide. All submissions undergo a rigorous double-blind peer review process to ensure the highest academic standards.

We hope this journal serves as a valuable platform for dialogue, research, and the advancement of international legal knowledge.
